<p>9. What fire extinguishing facilities exist within the premises?</p>	

10. Does any party have a legal interest in any of the above property that should be specified under this Policy?  If so, specify.	
11. Are there any material facts not already disclosed affecting or likely to affect that proposed insurance?	

I/we declare that to the best of my/our knowledge and belief, the information provided in connection with this proposal, whether in my/our own hand or not, is true and I/we have not withheld any material facts. I/we understand that non-disclosure or misrepresentation of a material fact will enable insurers to void the insurance. A material fact is one likely to influence acceptance or assessment of this proposal by underwriters. If you are in any doubt as to what constitutes a material fact, you should consult your insurance broker. I/we understand that signing this proposal does not bind the Proposer to complete the insurance, but agree that should a contract of insurance be concluded, this proposal and the statements made therein shall form the basis of the contract.
